On this application, the Board asks questions about a license applicant’s criminal history. In addition to the questions on this application, the Board may conduct a formal criminal or disciplinary history check. Answering “yes” to any of these questions or having a conviction, disciplinary or adverse employment action is not automatically a basis for denial of licensure.

When an applicant has a criminal conviction, the Board will consider:

1. The level and seriousness of the crime.
2. The date of the crime.
3. The age of the person at the time of the crime.
4. The circumstances surrounding the commission of the crime, if known.
5. The nexus between the criminal conduct and the prospective duties of the applicant as a licensee.
6. The prison, jail, probation, parole, rehabilitation, and employment records of the applicant since the date the crime was committed.
6a. The completion of, or active participation in, rehabilitative drug or alcohol treatment.
7. The subsequent commission of a crime by the applicant.
8. Any affidavits or other written documents, including character references.

If Board staff is unable to approve an application, the applicant has the right to request to have that application heard by the members of the Board. Any such request should be submitted in writing to the Board’s Executive Director. The Board will conduct that hearing pursuant to the North Carolina Administrative Procedure Act and the Board’s own hearing rules. As a result of the evidence presented at that hearing and considering the considerations outlined above, the Board may refuse to grant or may condition a license if it finds any of the grounds for doing so under North Carolina Gen. Stat. § 90-85.38(a).

If the applicant wishes to appeal the Board’s final decision, the applicant may seek review of the decision by filing a petition for judicial review in the Superior Court pursuant to Article 4 of the Administrative Procedure Act, North Carolina Gen. Stat. § 150B-43 et seq.
NOTE TO LICENSEE VERIFYING EXPERIENCE: As a licensee of this Board, you shall only verify actual experience (number of hours and duties) that this applicant received while working under your license and direct supervision. If you verify experience that was not performed while the applicant was working under your license and direct supervision, or if you verify experience outside the classification of experience obtained while the applicant was working under your license and direct supervision, you the licensee, will be subject to disciplinary action up to and including revocation of your license per G.S. 87-23. In addition, you can also be prosecuted under G.S. 87-25 for giving false or forged evidence to the Board in obtaining a license, punishable as a Class II misdemeanor. An applicant may make copies of this form for use in documenting additional experience with other licensees in order to fully and completely document the required minimum hours of experience.
